2. scanned copy of passport for international trips 1st page;
3. scanned copy of signed Consent to personal data collection and processing (**download the form here**).

NOTE: provide high quality scanned copies of the documents.

DON'T SEND ANY OTHER DOCUMENTS rather than the ones mentioned above.

Instructions and procedure of application

All the documents must be scanned in a good quality and resolution and sent to us in JPEG format to our e-mail address: admission@puet.edu.ua

Please, specify in the topic of the letter the following information: year and course you've chosen,

language of study, country of visa application (of example: Bachelor – International economic relations – India).

The University can issue a letter for the Embassy requesting support to candidates for studying in obtaining a visa. The application for issuing such a letter should be sent to the university in a letter with the documents to apply for invitation. Our e-mail address: admission@puet.edu.ua

Before receiving an invitation, the cost of visa support and the cost of invitation form must be covered. To receive the original invitation (which you'll submit directly to the Embassy when applying for Student Visa) you'll also have to pay for its sending via international courier service. Contact our Admission Office Manager for payment details and all the other relevant information via e-mail admission@puet.edu.ua

It takes from 1 to 3 working days to issue and send the invitation. After receiving the invitation in hardcopy from the University, you have to apply for Ukrainian Visa. Please, contact the Ukrainian Embassy in your country to apply for visa.

Contact Ms Olena Zinchenko (admission@puet.edu.ua) for any other details and start the application process as soonest.
